~ About 4th Point ~

4th Point is a rock band from Chicago's western suburbs. The band not only writes and performs their own music, but also performs a wide range of cover songs, from classic rock/alternative to today's hits, as well as Christian rock. With extensive performance experience at various sizes and types of venues, the band is known for versatility, upbeat music and energetic, passionate performances that interact with the crowd and bring excitement and energy to the stage.
